Name	Auditory	Good Connection? Yes / No
<i>Allan</i>	<i>Likes to talk—a lot. He is great at giving ideas and loves to tell stories.</i>	No

If you wrote “no” in Column C for any of these people, indicate below what you have learned you can do to improve that relationship.

I can ask him how to improve something, thus allowing him to have a “voice.”

Really listen and acknowledge him by saying “I hear you.”
