

A	B	C
Name	Digital	Good Connection? Yes / No
<i>David</i>	<i>Always wants lots of details and tends to need time to process my questions.</i>	Yes
<i>Abigail</i>	<i>Hates it when she's working on the computer and I interrupt her train of thought.</i>	No

If you wrote “no” in Column “C,” what can you do to improve that relationship?

I'll try not to interrupt Abigail when she's in the middle of something and schedule times for us to talk so that she can plan in advance.
